

JAVEZ RETURNS —IS ARRESTED

Mexican Who Made Murderous Assault on Wife Jailed on Minor Charge — To Be Re-arrested Upon Release

Going stealthily back to his home on Chihuahua hill early yesterday morning from his hiding place, for the purpose of securing supplies, Jesus Javez, the brutal Mexican who near murdered his wife in a vicious assault on Wednesday again threatened to kill her. He was prevented from making another attack by the father of the young woman whose calls for assistance brought help. Officers Brooks and McTee being among others who arrived.

Javez threw up his hands on command of the officers and was relieved of the six shooter which he wore. He was then locked up on a city charge of disturbance of the peace and later sentenced to ten days in jail. While this sentence is being served there will be time for the development of any serious injury that his wife may have sustained in the assault of Wednesday.

Immediately upon his release from the city sentence, Javez will be arrested on the county charge pending against him in the court of Justice Thomas.

BURGLARIZE A SALOON

Dalton Place at Bakerville Is Relieved of \$30 Worth of Liquors — Cash Had Been Removed by Proprietor.

A burglar, or burglars, tore away the screen from a window of the John Dalton saloon in Bakerville sometime between 1 o'clock yesterday morning and daylight. With the screen disposed of, the glass in the window was broken out and entry effected.

Mr. Dalton had emptied the cash drawer before going home and consequently saved that loss. Unable to find cash after ransacking the place, the thieves gathered up about \$30 worth of whiskey, with which they made away. The amount of the liquor carried off indicates that more than one man was in the job.

The officers were notified of the burglary yesterday morning when it was discovered and have since been working on the case. It was said last night that they had succeeded in finding no clue.

FOREMAN SUIT IS

WON BY THE CITY

A telegram received here last evening stated that the jury in the case of Foreman versus the City of Bisbee at Phoenix, after being out only nine minutes,

brought in a verdict in favor of the City. The suit against the City grew out of Foreman having his leg broken on Main

Street several years ago, when his horse slipped and fell on the pavement.

I. C. E. Adams arrived last night from Yuma for a visit of several days to his family.

BISBEE WON FROM TUCSON

Fast Basket Ball Team of the Y. M. C. A. Was Too Much for the Visitors — Clean, Enjoyable Sport.

As was predicted yesterday in the Review, the Bisbee Y. M. C. A. Basketball team was victorious last night by the score of 36 to 20 in its contest with Tucson.

This was the 2nd game between the two teams, Tucson winning one by a margin of 4 points. It is hoped that a 2nd game will be arranged to decide the tie.

The game last night, throughout, was marked by fast playing, and the gentlemanly conduct of both teams was commented upon.

Boat was easily the point winner for Bisbee, getting 6 goals. Cloud of Tucson getting the big end for his team.

The referee, Mr. Miner, is to be thanked and congratulated upon his fair and unbiased decisions, not having one decision disputed by either team or spectators.

A good crowd attended and were well pleased with the game.

The girls Exhibition game was enjoyed by all, and if the girls will play as well against outside opponents, it will be hard on the opponents.

I. C. E. Adams arrived last night from Yuma for a visit of several days to his family.
